Aramark

A fundraising opportunity has been presented to Council by Aramark and would allow us to raise funds for the Council for staffing Tampa Bay Bucs' concession stands. Monetary compensation, donated to the organization, would include commission on sales, bonuses on level of participation, cleanliness, speed & accuracy, etc. The Council must agree to staffing 10 Bucs home games, any playoff games, 2 USF games, the Outback Bowl and the Super Bowl of Motor Sports in January.

Council is interested but has decided to attempt to establish enough individuals for at least 80% of the games before committing. A date sheet will be created and handed out as well as an e-mail sent to friends, family and coworkers for assistance. All materials will be seen as benefiting ADAC.
